## Elder Frank Shao Brief Bio

Frank grew up in East Brunswick, NJ and attended church for most of his life and gave his life to Christ at a young age. He learned to really love Jesus and the church in high school and college through serving in various ministries both in the church and on campus. After graduating from Westminster Theological Seminary, he joined a church planting team, which eventually merged, with another church plant to form Point Community Church. He currently serves as an elder at Point Community Church, as well as leading the worship ministry at the North Brunswick campus. During the week, Frank works as a software engineer in NYC, which means he is a huge fan of NJ traffic and napping on the bus. One day, he plans to take time off to do the things he enjoys, like hiking, studying theology, and taking his family on vacation. He, his wife Minna, and sons Bennett & Milo live in North Brunswick.
