

Rev. Steve Kang

Steve was born and raised in Los Angeles, CA and moved to the San Francisco Bay Area for college. It was there that God began to move in his heart to be a missionary to the nations.

Soon after college he met his wife, Sehee (Kris), and was delighted to learn that she had a heart for missions as well. They were married in 2003 but it wasn't until 2011 when God finally allowed them to move to East Asia.

They spent 4 years there with their two daughters before returning to the US for seminary in 2015. Upon graduating from seminary (Steve – MDiv, Sehee – MA Counseling), they moved to Taiwan in December 2019.

Both Steve and Sehee have a heart for the nations. Steve's ministries include church planting and theological education while Sehee is passionate about counseling, both local and other missionaries, and especially missionary kids.
