TELL ME WHAT MAKES YOU TICK AS A PASTOR?

A number of years ago, I spent some time away with God. During that retreat, God 'spoke' to me and shared a very personal message: **"Frank, I have not created you for insignificance!"** That statement...that affirmation has launched me into discovering a newfound passion to make my life count. My daily motivation comes from seeing people around me living incomplete lives...lives that fall short of who God has created them to become. My heart is to help people reach and fulfill their God-given potential. To that end, I will challenge, teach, cajole, flog, bribe, and use whatever means I have available to motivate those around me to settle for nothing less than God's best and to fulfill their responsibility to advance God's Kingdom in our generation.
